For those that qualified for Nationals and would like to attend:

Coaches have shared some information - see our web calendar for a link to what I know. The entry fee is \$150. We are asking that each family pay an additional \$75 to cover a *portion* of the coach(s) expenses for this trip for Stars and Stripes. (For level 8+, entry fee is \$175, an additional \$130 covers a portion of other expenses). Yes you may do both!

As you make your 24-25 commitment, there is a place to select that you want to attend this meet. We will have options to split the payment when you process those charges. The decision deadline is May 27th (for 8+ May 9th) and there will be no exceptions made. If you are not committing to the 24-25 season or do not continue once you commit, the fee for nationals is closer to the actual cost of \$120 / \$360 in addition to the respective entries. If there are questions, please ask.
