

For those that want MORE than just recreational classes.

Rock Solid CLUB TEAM

BY Invitation ONLY

What and Why Club Team

Does your gymnast want to expand their participation in the sport of gymnastics and be a part of a TEAM?

Club Team provides an opportunity for our intermediate to advanced athletes to successfully experience the RSA team and competitive environment without the commitment of the Travel Team.

These athletes will still be on track for the travel team as their skills and desire increase.

Only by Special Invitation from our recreation program.
